Dear Members,

SUSPENSION OF INDUSTRIAL ACTION

Organized Labour declared an indefinite industrial action to press home the demand for the Social Security and National Insurance Trust (SSNIT) to terminate the sale of sixty percent (60 %) of its shares in the four Hotels.

The National Executive Council (NEC) of the Ghana Medical Association (GMA) subsequently issued a road map for industrial action on 12th July, 2024.

Following an emergency meeting on 15th July, 2024, Organized Labour has decided to suspend the industrial action with immediate effect following a formal communication by SSNIT confirming the termination of the sale of the 60% shares.

NEC in the light of this decision, suspends with immediate effect, the earlier issued roadmap for industrial action and directs that all members return to post.

NEC is grateful to members for your support.

Thank you.
