**ONLINE RE-EXHIBITION OF THE PROVISIONAL VOTERS REGISTER COMMENCES
TUESDAY, 15TH OCTOBER**

The Electoral Commission wishes to announce for the information of the General Public, Registered Voters and all Stakeholders, that Re-Exhibition of the Provisional Voters Register (PVR) will commence on Tuesday, 15th October and end on Saturday, 19th October, 2024.

The Public may recall that during the Special IPAC meeting held on 1st October, the Commission assured the Public that the revised PVR will be re-exhibited Online for registered voters to check their details and report any discrepancies to the Commission for correction.

From Tuesday, 15th October, voters can check their details via short code *711*51# free of charge.

Voters can also check their details from our website: <https://ec.gov.gh>. Voters should click on the pop-up link at the bottom-right corner of the screen and enter the 10-digit Voter ID number to receive their voter registration details.

The Public should note that any discrepancies identified must be reported to the District Office of the Commission where they are registered voters for correction. Once the Re-Exhibition Exercise ends on Saturday, 19th October, voters will still be able to check their details Online but CANNOT request for correction of their details.

Political Parties are required to use the Template provided by the Commission to submit any discrepancies identified during the Re-Exhibition period.

Thank you.
