OFFICIAL CLARIFICATION

The management of NextGen InfraCo (NGIC) wish to officially clarify that since its inception, the position of Chief Executive Officer (CEO) has been held by Mr. TenuAwoonor. Recent reports erroneously naming Mr. Tony Mintah as the CEO are inaccurate.

While Mr. Mintah is a senior manager at NextGen InfraCo, the role of CEO has always been held by Mr. Awoonor.

We kindly ask the media and the general public to take note of this clarification and correct any misinformation going forward.

Thank you for your understanding and cooperation.

Signed:
Next Gen Infraco
