THE GENERAL SECRETARY

NPP HEADQUARTERS

ACCRA.

FORFEITURE OF MEMBERSHIP NOTICE

The National and Regional Party leadership and the General Public are hereby notified that the following members have ceased to be members of the party, effective today in accordance with Article 3(9)(1) of the Party's Constitution (2017) as amended. These individuals have been banned indefinitely from:

- Holding themselves out as members of the party
- Holding any position in the party
- Attending or participating in any party meetings or activities
- Using any party symbol or flag

This decision was made unanimously at the Expanded Constituency Executive Committee meeting held on Sunday, 15th December 2024. The composition of the meeting comprised, Constituency officers, Municipal Chief Executive, Constituency Founding Members, Current and Former Council of Elders and Patrons, Constituency Disciplinary Committee members, and Electoral Area Coordinators of the party in Agona West.

The decision follows several complaints received from other party members against the said persons for:

- Standing as an independent candidate against the officially elected parliamentary candidate of the Party
- Joining or declaring their support for another Political Party
- Supporting an independent candidate in the just-ended December 7, 2024, parliamentary election in Agona West constituency.
- Continuously demonstrating such character against the party in every election year.

Kindly find attached the list of all the individuals expelled from the party effective 16th December, 2024.

Thank you for your cooperation.

ALHAJI GIBRINE TANKO
CONSTITUENCY CHAIRMAN
AGONA WEST.
